

SUBSTITUTE SPECIFICATION

A substitute specification in compliance with 37 CFR §1.52, §1.121(b)(3) and §1.125 is submitted in this amendment. While new drawings, new terms, and new comments have been added to the substitute specification, it is respectfully that such amendments do not represent new matter. The new terms are simply a different way of referring to previously disclosed subject matter.

A version of the substitute specifications with markings will be submitted as a separate document when the present Amendment is submitted.

A version of the substitute specifications without markings will be submitted as a separate document when the present document is submitted.

The Examiner is invited to call the undersigned at his convenience to resolve any remaining issues. Please charge any additional fees required by this Amendment to Deposit Account No. 503176.

Respectfully submitted,

William Monty Simmons
